## A Message from the Rainier Rambler President

We are looking forward to the Wash-I-Bago State Rally in Cashmere. I think there are six coaches signed up. For those of you who go, there's also the opportunity to sign up for the fun Lake Chelan after trip! Then on to the June Rambler outing at the Cove RV Park on Hood Canal to be hosted by the Laguna's. Jolene and Chuck are very creative so we'll see what 'events' they have created for us who are attending!

Just checked the outing schedule and noticed there's openings for wagon masters. This is a great opportunity to put your flavor on an outing.

Looking forward to seeing you all, I know many of you have great new "travel stories" which we will be excited to hear.

### Greetings from your Vice President:

We are finally getting some great weather to get out and enjoy our RV'S. You better get out and do it before who knows what kind of weather will be coming next. Jolene and I just got back from a whirlwind trip to Bryce Canyon, the Grand Canyon, and a quick stop in Yuma, Arizona to visit my niece and nephew and most importantly, get some Mr. G's burritos and tacos. If you haven't been to Mr. G's when you go through Yuma, it is a must stop. We hit a lot of wind along the way. It was so windy outside of Yuma, they closed the interstate to trucks and RV's due to blinding conditions because of the blowing sand. It was our daughter's and grandkids' Spring break, so we only had nine days to go the 3,400 miles. We made it, but the RV was getting cramped the last day.

Don't forget the State rally coming up, and then Lake Chelan right after. This is a lot of fun. We will miss the state rally, but we are trying to work things out for Lake Chelan. In June we will be going to the Cove in Brinnon for the first time. Jolene and I have some fun activities planned for the group, so come on out. We are close (next page)

to the water, so if you have a kayak or small boat, bring them. It is easy to launch from the beach just a few hundred feet from the campground. Hey #2, this would be great for the aluminum boat.

Look at the calendar and sign up for as many trips as you can. The more people that turn out, the more fun it is.

We are still needing a few more wagon masters, so if possible, sign up. We are good through July, but need some volunteers for the rest of the year. See you soon,

*Chuck Laguna*

Silver Cove RV Park Outing, April 13-16**

The Jordan's hosted the rally at Silver Lake. It was attended by four coaches, the Robel's, Stanford's, Jordan's and MaryJo Randall, a guest friend of Joe and Carol. The weather was true to form and we were treated to torrential downpours and wind for three days, henceforth known as The Rainiers Rain Fest! The good news was that we had a roof over our head in the pavilion and we were dry! At least until the water came in under the barn doors and duck boots would have been in order.

Friday evening was full of good cheer with awesome appetizers and good company. We were joined by Bob and Dee Dee Gauvreau. It was great to catch up with everyone.

Saturday was a good day to search the area for local wineries or breweries, or wrapped in a blanket with a good book (me)! In the evening we joined together for a happy meeting and afterwards a wonderful dinner of spaghetti with red sauce, garlic bread, green salad and four yummy desserts. We were joined by the Rohrscheib's and their sister who signed up to "check us out". They are from Aberdeen and have a new Winnebago Vista.

Sunday dawned bright and clear. . . NOT! It did not affect our appetites for pancakes, sausage and eggs along with the famous fruit bowl. Most of us stayed over and relaxed or visited with friends in the area. Monday we all headed home safe and sound.

## **Route 66 'ramblin Ramblers . . .** **submitted by Robyn Gleim**

Three Rainier Rambler coaches met at the end of March for a fun outing in Needles, CA. The Dickey's and Gleims planned to meet at Desert View RV Park; serendipitously, Gleims and Woods met at a gas station in Gila Bend and discovered Woods were registered at the same RV park.

So, on a very warm (93°) afternoon, the three couples enjoyed a happy hour visit, followed by dinner at the "World Famous Wagon Wheel" restaurant on historic Route 66.

Although it was only a one-night outing, it was fun to meet up with our RV friends after several months!

Below are our 'Ramblin' Rainier Ramblers on an unexpected gathering in California. This is the 2nd out of state unscheduled get together this winter season!! Left – Right: Lynn Dickey, Shirley Wood, Robyn Gleim, Darrel Wood, Greg Dickey, and Jerry Gleim
